'Welcome to Charlestown' Sign Competition!

Crosslee Community Primary School
would like to invite you to our:

'WELCOME TO CHARLESTOWN' COMPETITION

The Charlestown Councillors, the Neighbourhoods Team and Winning Hearts and Minds have been meeting to discuss the proposed update of the "Welcome to Charlestown" signs and getting the local community involved.

We would like to invite students from Crosslee Community Primary School and two other local schools to design the artwork to go on the new Welcome to Charlestown signs. We would like them to reflect all the things people love about the area - maybe it's the parks, the flowers, friends, community or something completely different.

Families are invited to our design workshop where you can create and hand in your design

On **Friday 7th July at 2pm**, we will be holding a workshop at Crosslee Primary School for children and their parents to create their designs together.
