Headteacher Comment

A very warm welcome to our new Shooting Stars children and their families!. Transitioning into a new environment can be a big step, but it has been wonderful to see how quickly and smoothly the children have settled in. They are already exploring their new routines, making new friends, and truly thriving every day.

I would also like to extend a heartfelt thank you to all the parents and carers who joined us for our recent Meet the Teacher evening. It was fantastic to see such a great turnout and to have the opportunity to speak with so many of you in person. Strong partnerships between home and school are vital to every child's success, and we deeply appreciate your time, engagement, and ongoing support as we begin this exciting journey together.

What is SAFEGUARDING?

Safeguarding means protecting children's safety and wellbeing. It's about making sure they grow up safe, cared for, and respected.

Types of harm:

- **Physical harm:** hitting, shaking, or rough handling
- **Emotional harm:** shouting, constant criticism, ignoring, or making a child feel unloved
- **Neglect:** not providing enough food, clean clothes, warmth, supervision, or medical care
- **Sexual harm:** inappropriate touching, exposure to sexual content, or exploitation
- **Domestic abuse:** seeing or hearing violence at home, even if the child isn't directly hurt.
- **Online harm:** bullying, grooming, or exposure to harmful content on social media or games

Children have the right to feel safe, cared for, and respected. Speak up if something doesn't feel right.
