NEWSLETTER

Welcome to our September newsletter! We're thrilled to share the latest updates, celebrate achievements, and keep you connected with everything happening at Crosslee.

Headteacher Comment

It has been another busy week in school, complete with an unexpected highlight - an unannounced visit from a helicopter!

This week, I spent time visiting reading lessons across the classes. It was wonderful to hear the children reading with such fantastic fluency. Please remember how crucial it is to read with your child every night; consistent practice makes a huge difference to their progress.

As the weather turns colder and wetter, please ensure your child comes to school with a warm coat. We love getting the children outside for fresh air every day, so having the right gear keeps everyone warm and dry!

INFORMATION

Word of the Week

Integrity

Doing the right thing, even when no one is watching.

British Value

Laws apply to everyone, and so do the rules at Crosslee. They help to make our school a safe place for everyone.

Polite Reminders

- School meals needs to be paid for in advance via ParentPay, please ensure this is done by the Sunday prior to the week ahead.
- Please do not park in front of driveways outside of school. We have had a few neighbours complaining.
- If you arrive before 08:45 am and are not booked in breakfast club, please go to the playground to wait for your child's class to open the door.
- If you wish for your child to attend breakfast and/or after school club, this needs to be booked via Progressive Sports..
- If your child is going to be late, please bring them through the office and sign them in with a reason why they are late. We have to record this on our attendance system.
- No vaping is permitted on the school site.

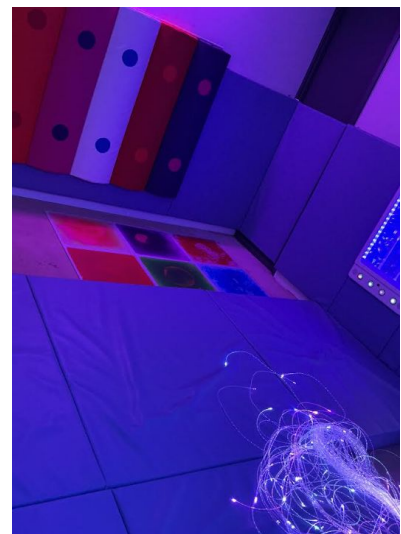

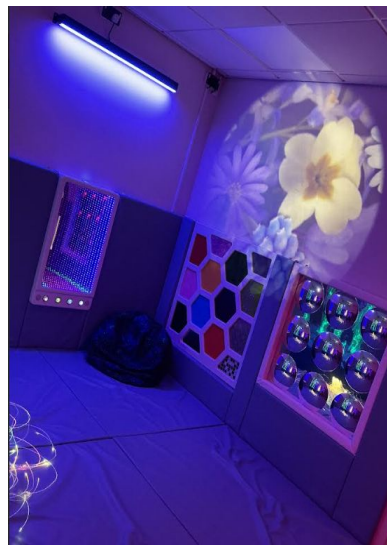

FOCUS OF THE WEEK

Shooting Stars

This half term we have welcomed children into our new shooting stars provision, it is home to our sensory room, purpose built outside area and specialist equipment. We are excited to welcome the children and their families to the crosslee community.

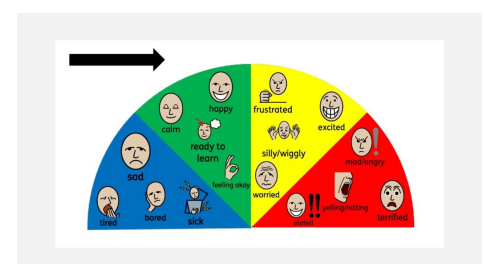

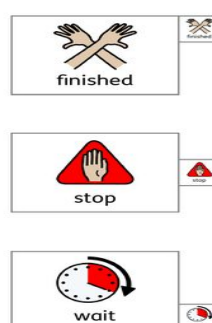

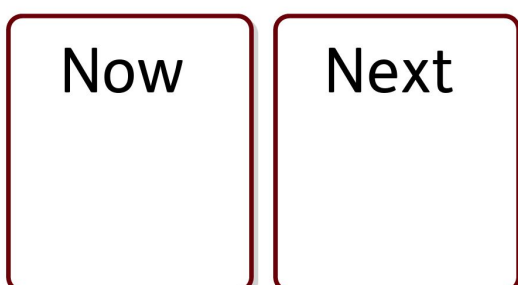

All of the children in the unit, have been given a place via the local authority and have an EHCP with communication and interaction stated as their primary area for support.

The children have enjoyed exploring our sensory room and using it as a tool to support regulation.

Tools for home

At Crosslee we use a variety of visuals and scripts to support all learners with transition and regulation. Please speak to your child's class teacher if these would be useful at home.

WELL DONE CROSSLEE !!

Crosslee are winners of the 2026 Manchester Road Safety Cup!!

Well done to the Year 6 children who represented our school and presented to the judging panel @ Manchester Town Hall this morning. We are extremely proud of you!

Our current Year 6 pupils worked on the campaign in Year 5 and were successful in reaching the final which was held this morning. Unfortunately, we could only select 5 children to attend the Town Hall this morning but we would like to say a huge well done to all pupils in Year 6. What a fantastic achievement!

Hopefully, this is the first of many winning moments this academic year - bring on the next one!

What is SAFEGUARDING?

Safeguarding means protecting children's safety and wellbeing. It's about making sure they grow up safe, cared for, and respected.

Types of harm:

- **Physical harm:** hitting, shaking, or rough handling
- **Emotional harm:** shouting, constant criticism, ignoring, or making a child feel unloved
- **Neglect:** not providing enough food, clean clothes, warmth, supervision, or medical care
- **Sexual harm:** inappropriate touching, exposure to sexual content, or exploitation
- **Domestic abuse:** seeing or hearing violence at home, even if the child isn't directly hurt.
- **Online harm:** bullying, grooming, or exposure to harmful content on social media or games

Children have the right to feel safe, cared for, and respected. Speak up if something doesn't feel right.
