Headteacher Comment

What a busy and exciting week we have had! It was amazing to see so many children dressed up as robots and rockstars for our TT Rockstars and Numbots Day - the effort and creativity were fantastic, and the children had a brilliant time celebrating their maths skills.

Looking ahead to next week, a quick reminder that **next Friday is Football Fun Day** in school! Children are invited to wear their football kits to school for one day only.

As the weather continues to change, please can I also ask that all children remember to bring a coat to school every day so they can enjoy their outdoor play comfortably.

FOCUS OF THE WEEK

Stay and Play

This week we hosted our first Stay and Play of the year for children in Early Years, Year 1 and our Shooting Stars provision. It was lovely to see so many of you as we explored activities related to reading and phonics.

Throughout the year, there will be more opportunities for families to join us in school. We have planned Stay and Plays on the themes of online safety, Science and Maths, for example. Look out for notices on Class Dojo.

What is SAFEGUARDING?

Safeguarding means protecting children's safety and wellbeing. It's about making sure they grow up safe, cared for, and respected.

Types of harm:

- **Physical harm:** hitting, shaking, or rough handling
- **Emotional harm:** shouting, constant criticism, ignoring, or making a child feel unloved
- **Neglect:** not providing enough food, clean clothes, warmth, supervision, or medical care
- **Sexual harm:** inappropriate touching, exposure to sexual content, or exploitation
- **Domestic abuse:** seeing or hearing violence at home, even if the child isn't directly hurt.
- **Online harm:** bullying, grooming, or exposure to harmful content on social media or games

Children have the right to feel safe, cared for, and respected. Speak up if something doesn't feel right.
