NEWSLETTER

Welcome to our June newsletter! We're thrilled to share the latest updates, celebrate achievements, and keep you connected with everything happening at Crosslee.

Headteachers comment

Well done to all the children who took part in Sports Day this week. Despite the weather, the children showed great enthusiasm and had a brilliant time.

A reminder to our Year 1 parents that the Phonics Screening Check takes place next week, so attendance every day is essential. Good luck to all our Year 1 children — you will be amazing!

Lastly, we say a heartfelt goodbye to Miss Laycock. Thank you for all your hard work and dedication over the years. The children, staff and the whole Crosslee community will miss you very much. We wish you the very best in your future endeavours.

INFORMATION

Word of the Week

Accountability

Taking responsibility for your decisions and actions - both the good choices and the mistakes.

British Value

We have the freedom to make our own choices. We need to be accountable for the decisions we make under this freedom.

Polite Reminders

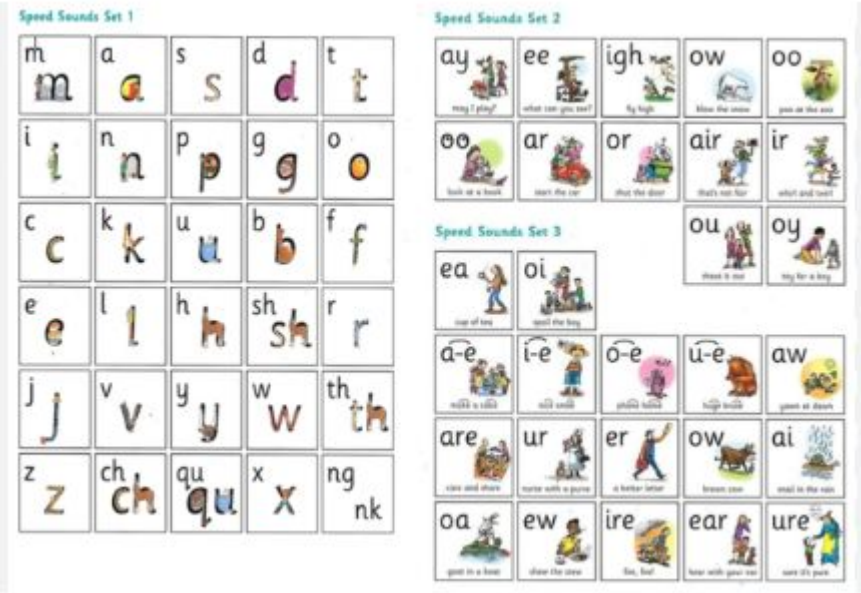
- School meals needs to be paid for in advance via ParentPay, please ensure this is done by the Sunday prior to the week ahead.
- Please do not park in front of driveways outside of school. We have had a few neighbours complaining.
- If you arrive before 08:45 am and are not booked in breakfast club, please go to the playground to wait for your child's class to open the door.
- If you wish for your child to attend breakfast and/or after school club, this needs to be booked via Progressive Sports..
- If your child is going to be late, please bring them through the office and sign them in with a reason why they are late. We have to record this on our attendance system.
- No vaping is permitted on the school site.

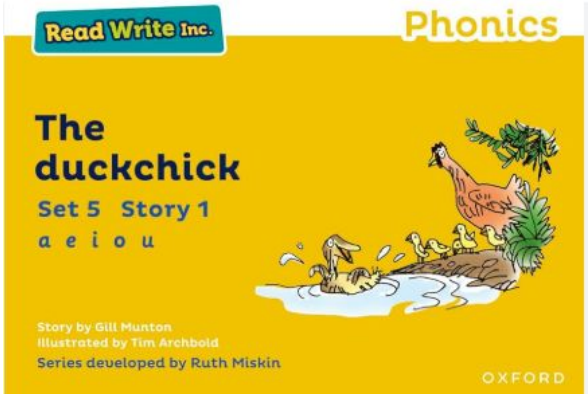
FOCUS OF THE WEEK

This week our whole school focus is early reading. At Crosslee we follow the Read Write Inc phonics scheme, which supports children to become confident and fluent readers.

Children take part in daily phonics lessons where they learn new sounds, known as special friends and practise blending to build fluency.

Below is the Read Write Inc sound mat and an example of a reading book used in school:





We are excited for our Year 1 pupils who will be completing their phonic screening check next week. They have been working incredibly hard and we are very proud of their progress.

To support at home, children can read their phonics book for just five minutes each day. This small daily routine makes a big difference to confidence and fluency.

You can also find helpful videos on the Ruth Miskin website that show how to support your child with reading the special friends. These short clips are great for practising at home and help children become more confident with their sounds.

What is

SAFEGUARDING?

Safeguarding means protecting children's safety and wellbeing. It's about making sure they grow up safe, cared for, and respected.

Types of harm:

- **Physical harm:** hitting, shaking, or rough handling
- **Emotional harm:** shouting, constant criticism, ignoring, or making a child feel unloved
- **Neglect:** not providing enough food, clean clothes, warmth, supervision, or medical care
- **Sexual harm:** inappropriate touching, exposure to sexual content, or exploitation
- **Domestic abuse:** seeing or hearing violence at home, even if the child isn't directly hurt.
- **Online harm:** bullying, grooming, or exposure to harmful content on social media or games

Children have the right to feel safe, cared for, and respected. Speak up if something doesn't feel right.
