Spring Term 2 Newsletter – March 3rd 2023

Hello and welcome to our newsletter. We have been super busy week in school this week! As it has been World Book Day, we have had M&M Productions in school performing 'Scrooge' for Key Stage 2 Children and it was thoroughly enjoyed by all!

World Book Day has been a success and we have enjoyed seeing all the children participating in celebrating their favourite authors /characters in class and around school.

PSHE Lessons for Spring Term 2

Over the next 4 weeks, Years 1-6 will be taking part in lessons which will focus on relationships and sex education (RSE). All lessons are taught at an age appropriate level for your child's age.

All parents can view the lessons that their child will be taught by visiting the school website. Select the red **Curriculum** tab at the top of our website, then select **Subjects**, select **PSHE** then scroll down to **Relationships & sex education and Health Education** where you will find information on why we teach RSE. At the bottom of this webpage there is a file titled **RSE Curriculum lessons** that can be downloaded, detailing all the lessons from Years 1-6.

If you have any questions after reading the lessons, please contact the school and we will be happy to answer any questions!

Head Teacher's Message

It was lovely to see the children dressed up for World Book Day yesterday. The children were so enthusiastic about the characters and talking about the books they were from. Every child has been given a book and a voucher to promote reading for pleasure. I hope you enjoy reading the book with your child.
