# Focus of the week: Always children

Many children at Crosslee are 'always children'. They **always** set a good example in their conduct and learning. They **always** take pride in doing their best at all times. We want these children to know how much we value this.

## Always children

Always children come from all backgrounds, and have a range of abilities. But they all choose to work hard, all the time, to keep our school values.

### Ready

Always children choose to follow the school routines. They line up beautifully, keep all areas tidy and are always ready to listen as soon as their teacher asks.

### Respectful

Always children choose their words carefully to show respect to other children and adults. They always use their manners because they think about the other people in the school and want everyone to feel valued.

### Safe

Always children know that their choices help keep themselves and others safe. They move sensibly around school and always listen when given instructions.

## Expectations

All children at Crosslee are supported and encouraged to be their best. Our behaviour expectations are there to keep everyone safe and learning well. School won't accept disruptions to learning or safety.

## Working together

Families and school can have a really strong positive impact on children when they work together. School works hard to celebrate good news with families (as well sharing when things have gone less well). Working together, we can achieve great things.

## Headteacher's Comment

**Please note the information on safety surrounding safe driving and parking. All children and adults need to be safe on their journey to and from school.**

**We are looking forward to next week. We wish the Y5/6 boys lots of luck in their football tournament on Monday and look forward to the cake sale on Wednesday.**

**Have a lovely weekend, Miss Crew.**
