### Head teacher's comment

We'd like to congratulate Miss Shepherd on the birth of her beautiful baby boy. Mum and baby are doing well and we can't wait to meet him!

It is always sad to say goodbye to members of our team. Mr Allen will be leaving us to spend more time with his family. On behalf of the school community, past and present, I would like to thank Mr Allen for his time at Crosslee - working with all our children in Forest school, improving our outdoor environment with the tree planting event and most recently being a willing volunteer to have wet sponges thrown at him to raise money for school. We are looking forward to having him as a parent next year as his daughter joins our nursery and wish him well for the future.
