Parent pay payments
Although the date for Trip payments has passed, you are still able to access them via parent pay and pay any remaining contribution.

Sports day

Please be ready to be patient.

Parents need to stay in the designated areas shown on the plan sent out.

The gates will be locked before sports day is underway.

If you have children in different year groups, you can move between the places as necessary.

Bring your smiles, your cheers and let's hope for lovely weather!

Focus of the week: Mental Health

This week has been mental health awareness week. Here is some information about what we do in school to keep pupils mentally healthy and ways to help us at home.

In lessons

Our curriculum helps us to keep a focus on mental health. In assemblies, and across the full curriculum we learn about mutual respect and ensuring everyone is valued. Also, within our lessons we spend a lot of time discussing ideas and talking respectfully to promote the importance of each individual.

On the playground

Spending time outside is for many children, the highlight of the day. We take care to arrange activities and equipment to promote both movement and friendship development. When children need help to manage their friendships, we work hard to help.

Please always make sure your child has a coat in school. Then if the weather lets us down, your child still gets to play happily!

Belonging

We want all children to feel part of the Crosslee family. This means being proud of wearing their school uniform and using the school values at all times. If everyone is ready, respectful and safe, it makes school a much nicer place to be.

Nurture award

The nurture award shows the effort we have put into making nurture central to our work at Crosslee. We know that this work is ongoing. This week, following our parent survey, our SENDCO met with parents to listen to their ideas for how to improve what we do to help our children and families.

Headteacher's Comment

It was lovely to see so many children wearing green today to celebrate mental health awareness week.

Welcome back to Mrs Shuttleworth who has returned from maternity leave. Mrs Shuttleworth is one of our Assistant Head Teachers and will be working on Monday, Tuesday and Friday.

Remember Sports Day on Monday, we're looking forward to seeing everyone take part and have an enjoyable day.

Have a lovely weekend! Miss Crew
