## Awards

### Attendance

Reception W - 97.8%- to be confirmed this week  
Year 1A 98.6% - PJ Day with movie and popcorn  
Friday 24/5/24  
6D 100%- to be confirmed this week

### Parent pay payments

Although the date for Trip payments has passed, you are still able to access them via parent pay and pay any remaining contribution.

## After school clubs

The after school clubs which run on Monday, Wednesday and Thursday will continue with no changes. The final session for clubs will be 11th July.

### We're listening

In our recent pupil voice survey, all children showed that they are proud of our school values and how they help them behave and respect people of all backgrounds. Our next piece of work is focusing on playground behaviour.

## Celebration Certificate Winners

### Sports day results

Taking part and fun was the focus in sports day on Monday. Here are the team results from across the school.

1st place Orange team The Netherlands

2nd place Green team Jamaica

3rd place Blue team Greece

# Focus of the week: Sports

This week, we have finally held our sports day. This is a huge relief after the disappointments in recent years. Read on to find out more about a new sports award we have earned!

## School Games Mark: Bronze award

This week, Crosslee Primary School has won an award for its high standards in sports provision - the bronze award. In future years, we will work towards silver and gold!

This award recognises the importance of

- planning sports carefully through lessons, clubs and opportunities
- creating equal opportunities for all children to join in
- ensuring as many children as possible stay active
- making sure children get chance to take part in tournaments, in school and between schools.

We are very proud of this accreditation and look forward to continued work for children on sports and all the physical and mental health benefits it offers.

## Inclusion

The sports day activities were designed to promote a sense of team and give everyone chance to enjoy being active. Thank you so much to all the parents who were able to come and who cheered, clapped and showed the children how much they all matter.

## Lunchtime

A lot of thought has gone into ensuring a wide range of sports access during children's play time. The children get to play with different equipment according to the sport of that day. However, we're not resting on our laurels and are planning further improvements to sports at lunch.

## Headteacher's Comment

***In school, we are planning to give each of our classes a themed name based on our school values and school motto 'Reach for the Stars'. School council have begun to discuss the ideas. We'll share their ideas with you in the new term.***

***Wishing you a safe holiday.***
