

Early Help Assessment (EHA)

Do you have any of the following problems / concerns?

Housing

Budgeting Money/Debt

Feel that you and your family could do with some extra support with your child's development such as speech and language, behaviour management etc

The EHA is a family friendly request for support bringing services together to look at what each service can provide to get the best outcomes for you and your family.

If you have any questions we will try to help. Please call in or telephone one of the outreach team.

Tel No.

0161 227 3636

Welcome to Hr Blackley and Charlestown Sure Start Children's Centres.

Outreach workers work in the centres and in the community to help parents/carers with children under five to know about and access the services available.

If you have not been to the centre before call to speak to an outreach worker at the centre, where you will be given information that may be useful to you.

Are you a Mum/Dad/Grandparent or carer with Children under 5?

Then why not get involved and give Your views about the centre's services through the Parents Forum/Advisory/Partnership/Board

This meeting is where parents meet with outreach workers to discuss the activities and services at the centres what they would like to see and how they may be able to help.

The information is then shared with the Advisory/Partnership Board

Parents and carers are welcomed at these meetings to meet the partner agencies who deliver services in the centres.

This is an opportunity for parents to listen and / or contribute to the discussions.

Please contact Outreach Team for Dates.
